**Living Room - Family Room - \$10000-\$15000 Contemporary Bungalow - Horse Racing - White, Beige - Neutral**

**Total Cost: \$8,905.95**

The above is to closely duplicate your inspirational image. As requested, we changed out certain "horse" accessories for a more specific horse racing theme - including the Jockey & Racehorse sculpture and the "Kentucky" framed art for above the sofa. We went for the lighter galvanized vase and flowers to keep it ever so slightly lighter and airier, continuing the overall aesthetic of your beach bungalow. We were also able to find and price the mirror you asked about which sets the stage for the rest of your furnishings!
